### Background & Experience

Aaron commenced and completed his Cadetship in Civil design as a Cadet Technical Officer at Whitsunday Regional Council in Bowen. In 2006, Aaron moved to Townsville, to begin work as a Civil Designer for Cardno working on large scale land development projects in the Townsville region such as Fairfield waters, Kingston Park, River Parks and Northshore. In 2008, Aaron joined Flanagan Consulting Group in Townsville and was exposed to a large range of land development and infrastructure projects in regions such as Townsville, Cairns, Mackay and Darwin. He has developed extensive knowledge and experience in working with project stakeholders such as Main Roads, NT Government, and Local Government Authorities.

In 2014 Aaron Joins STP consulting bringing his significant knowledge and experience to the team, to help deliver civil projects efficiently and innovatively.
